

on_key_s

```
graph LR; A[on_key_s] --> B[HandleStatusDisplayKey]
```

A diagram showing a call from a function named `on_key_s` to a function named `HandleStatusDisplayKey`. The `on_key_s` box is white with a black border, and the `HandleStatusDisplayKey` box is gray with a black border. A blue arrow points from the right side of the `on_key_s` box to the left side of the `HandleStatusDisplayKey` box.

HandleStatusDisplayKey
