

on\_timer\_checkTimer

```
graph LR; A[on_timer_checkTimer] --> B[resetOtaState];
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'on\_timer\_checkTimer'. The right box is gray with a black border and contains the text 'resetOtaState'. A blue arrow points from the right side of the first box to the left side of the second box.

resetOtaState
