

on\_message\_M008\_Mode  
\_Change\_Req

```
graph LR; A[on_message_M008_Mode  
_Change_Req] --> B[HandleModeChangeReqMessage]
```

A diagram consisting of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'on\_message\_M008\_Mode' on the top line and '\_Change\_Req' on the bottom line. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains the text 'HandleModeChangeReqMessage'.

HandleModeChangeReqMessage
