

on\_key\_f

```
graph LR; A[on_key_f] --> B[HandleFaultInjectionKey]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'on\_key\_f'. The right box is gray with a black border and contains the text 'HandleFaultInjectionKey'. A blue arrow points from the right side of the left box to the left side of the right box.

HandleFaultInjectionKey
